

TOWN OF PERTH

Starting on Saturday, October 1ST 2016, the Town of Perth will be conducting a dog enumeration. Joseph Passino, Dog Control Officer, will be conducting a door-to-door enumeration. Under New York State Law, it is mandatory that all dogs four months of age or older be licensed. Additionally, a current rabies vaccine certificate must be provided to license a dog.

If you have a dog that is licensed, you will need to show the license (signed renewal form) and rabies certificate for each dog you have. Please have these papers readily available. If you have a dog or dogs that are four months of age or older that do not have a valid license, you will be assessed a \$25.00 census fee, plus the license fee.

You may license your dog at the Town Clerk's Office during regular hours; Tuesday, Wednesday, Thursday, and Friday, from 9:00am to 1:00pm. You must provide a current rabies vaccine certificate, and proof of spaying/neutering. Renewal licenses may be done by mailing in your renewal form with a check for the applicable fee. The license fee is \$6.00 per spayed/neutered dog and \$15.00 per unspayed/unneutered dog.

If you have any questions regarding licensing your dog, please call the Town Clerk at (518) 843-6977 ext. 110.
